SPECIAL ISSUE : DONATION OF BOOKS TO NICE MONT-GROS LIBRARY

This special issue presents the collections of books offered by Nicholas Radulesco to the Nice Mont-Gros library :

- Voyages dans le cosmos (49 books)
- Le monde est mathématique (37 books)

These two collections distributed by Le Monde offer popular scientific works of great rigor with clear texts and numerous illustrations. The “*Voyages dans le Cosmos*” collection is prefaced by Hubert Reeves. We warmly thank our colleague for this donation and we invite you to discover and borrow these works classified by collections then by themes.
